

### **Important information on Cashline (Full) GIRO bill payment arrangement**

By applying for Cashline (Full) GIRO bill payment, you are setting up a payment arrangement to have the full closing balance amount shown on your Cashline statement debited from your indicated DBS/POSB Savings or Current account on the payment due date.

- Please continue to make your payment by the statement due date until you receive a notification letter from DBS Bank that Cashline GIRO bill payment has been set up.
- Please do not apply for Cashline GIRO Bill Payment if you intend to take up or currently have any existing Cashline Balance Transfer loan.
- Please note that late payment fee will be charged to your Cashline account if the GIRO deduction on payment due date is unsuccessful.
- (Full) GIRO payment will not fully settle your Cashline outstanding balance as it may exclude any unbilled interest, charges and Instalment/Personal Loan plans. If you would like to fully settle your outstanding balance, please call 1800 111-1111 for the payment amount.
