3. The following words have the following meanings:

"**Asset**" means your Fund Investment.

"**Agent**" means any agent, correspondent, broker, dealer, counterparty, adviser, bank, attorney, custodian, sub-custodian, depository, depository agent, manager, assayer, refiner, service provider or Nominee selected or used by us, whether in Singapore or elsewhere.

"**Corporate Actions**" include redemption, right issues, bonus issues and matters relating to corporate changes, actual or proposed takeover, offer, sale, merger, compromise, arrangement, bankruptcy, insolvency or administrative proceedings affecting or in relation to any Asset or the issuer of any Asset or in relation to any rights for conversion, transfer or exchange of Asset.

How it works

4. Your Assets will be deposited into a custody account that may be directly or indirectly opened and operated by us (each a "**Custody Account**"). You authorise us to appoint Agents to perform any aspects of the custody service and, where needed, authorise them to do the same. We will follow the Applicable Laws in doing so.

5. For Assets that you transfer to us for custody, you represent and warrant that they belong to you; are authentic, valid and correct in every respect. You agree to fully indemnify us against any Losses that we may suffer due to or arising out of the foregoing representations and warranties being untrue or incorrect in any respect. We may, in our absolute discretion, refuse to accept any Asset for custody.

6. Your Assets are always subject to your control, unless they were assigned or charged to us by way of security and subject always to Applicable Laws and/or any applicable agreement.

7. We will act only on your instructions in writing to acquire, hold in custody, dispose of or otherwise deal with your Assets, provided they have not been assigned or charged to us. You acknowledge and agree that we may not act on your instruction if we are required to comply with any Applicable Law which restricts us from taking any action in respect of your Assets.

8. If your Assets are denominated in a foreign currency, you authorise us to deposit your Assets in a Custody Account with an Agent outside Singapore which is licensed, registered or authorised to act as a custodian in the country or territory where such account is maintained. You should be aware that you may be exposed to additional risk as the Applicable Laws of the foreign jurisdictions may be very different from Singapore law. This means that your Assets do not enjoy the same protection as those held in custody accounts in Singapore. A possible consequence of this is that in the event of a legal dispute in that market, the courts in that market may not recognise your Assets as belonging to you and you may not be able to recover them.

9. You may not be able to withdraw your Assets, or may lose some, or even all your Assets, if we or our Agents become insolvent. Provided that we have acted in good faith and used reasonable care in the selection and continued appointment of any Agent, you agree that we are not responsible for any act, omission, default, or insolvency of such Agent.

10. In order to enable us to provide you with the Custody Service in accordance with these Custody Terms, you authorise us to:

- (a) acquire, hold and register your Assets in our name and keep them in locations we think fit;
- (b) comply with Applicable Laws, including withdrawing and transferring Assets (or entitlements to them) to securities depositaries, clearing or settlement systems, account controllers or other participants in the relevant systems as selected by us for any purposes;
- (c) request payment of, collect and receive interest, dividends, payments or other entitlements in respect of any Asset;
- (d) convert any monies payable in respect of your Assets at the prevailing exchange rate if they are made in a currency different from your Account;
- (e) choose to receive a distribution in cash or in kind, unless you have instructed us in writing of your preferred distribution type;
- (f) where applicable, exchange any Asset in a temporary form or other Assets in definitive form and deliver physical scrip form of such Assets to any depository set up for the purpose of and/or operating scripless trading and to complete and deliver any required document;
- (g) surrender your Assets against receipt of monies payable at maturity or upon redemption at your request to us in writing;
- (h) execute any necessary declaration or certificate of ownership under any Applicable Law; and
- (i) take any other action we think appropriate.

11. In providing you with Custody Services, you understand and agree that we are under no obligation to:

- (a) supervise or monitor any of your investments or transactions involving your Assets;
- (b) advise or recommend for any transaction in relation to the sale, purchase or disposal of your Asset unless we agree to;
- (c) assess the suitability of any transaction involving your Assets;
- (d) assist you in claiming any tax benefit(s) or claims for a reduced withholding rate to which you may be entitled to in connection to your Asset (whether under a tax treaty or any other Applicable Law);
- (e) assist you to seek reimbursement of any third parties of any amounts due to any withholding that had been applied at higher rate than that which you are entitled to or which you view to be the applicable rate; or
- (e) provide trustee services and we shall have no trust, fiduciary or other obligations in respect of your Assets pursuant to these Custody Terms, save for those expressly provided for in these Custody Terms or as otherwise agreed in writing.

Withholding Tax

12. If you receive any income from non-Singapore Assets that is subject to non-resident withholding tax, we will apply the full prevailing prescribed rate.

13. Notwithstanding anything stated herein and without prejudice thereto, in the event that we agree to a request to apply a reduced rate of withholding tax in connection with your assets kept in custody with us, you agree that:

(a) we may decline at any time in our sole discretion to proceed further with your request;

(b) you will provide to us all information (in any form) as we may require from time to time for the purpose of processing your request. You further represent and warrant that (i) the information provided by you is complete and accurate; (ii) you shall notify us as soon as practicable when there is a change in your circumstances; (iii) you shall update your tax status periodically in such frequency, required form and within the time period as specified by us from time to time; and (iv) you meet all requirements of the relevant tax treaty(ies) or any other Applicable Law pursuant to which you are seeking the application of a reduced rate of withholding tax;

(c) you are aware that we shall be entitled to withhold the relevant amount of taxes in accordance with our existing processes and/or as we determine in our discretion to be necessary, and hence any relevant withholding rate(s) applied may be revised from time to time in our discretion;

(d) at any point in time, should it be determined by us that a revised/higher withholding rate should have been applied, we are entitled to automatically deduct from your account the relevant difference, such that the amounts due to us or which should have been received by us is equal to the full amount had no withholding or deduction been required; and

(e) in the event that a reduced withholding rate is applied, we are not responsible for crediting to you the difference from, or any backdated amounts that had been previously withheld at, the higher withholding rate.

Our Communication with You

14. We will keep records to ensure that your Assets are held on your behalf and do not belong to us. We will furnish you with periodic statements in respect of your Assets and notify you of any transaction involving your Asset as soon as practicable after each transaction.

15. We will take reasonable steps to forward to you any notice or communication we receive in respect of your Assets. If the notice or communication does not call for any Corporate Action, we shall not be obliged to forward such notice or communication to you.

16. In the event of a credit event, any information or updates that we forward to you will be on a best effort basis, as we may not be privy to any debt restructuring plans and/or other negotiations between the issuer and its creditors (due to the confidential nature of such discussions), the availability and flow of information may be greatly diminished in such circumstances.

17. We will not be liable for any losses arising from any failure to forward a notice or communication correctly or promptly to you, unless there was gross negligence, fraud or wilful default on our part.

Pooling of Assets

18. Your Assets may be deposited together with assets belonging to our other customers, and/or the customers of our Agents in an omnibus custody account. This is known as co-mingling. Co-mingling comes with certain risks which you understand and agree to as below:

(a) While we will maintain records of your interests in the pooled Assets, your right to such Assets may not be easily identified from documentation such as separate certificates, other documents of ownership or equivalent electronic records;

(b) If we or our Agent defaults or becomes insolvent, you may not receive your full entitlement. Any shortfall in relation to the value of pooled Assets may be apportioned to you and other customers. Delays in identifying

individual investments in such situations may result in an increased risk of loss; and

(c) You may not receive the identical Assets deposited in custody. We will, however, return to you Assets that are of the same class, denomination quantity and nominal amount (and rank equally) with those originally deposited with or transferred to us.

Corporate Actions and voting rights

19. For Assets that give you rights in relation to a company, we will not be responsible for taking any action in relation to Corporate Actions that we become aware of and we will not exercise any voting rights attached to your Assets unless you instruct us otherwise.

20. We may, on occasions, hold the same class of assets on behalf of one or more customers, and exercise such voting rights attached to the assets in accordance with instructions from majority of the customers. You acknowledge and agree that this may be contrary to the instructions you have given us.

21. You acknowledge that we do not guarantee, nor are we able to ensure that any corporate action taken by the issuer of any Asset would be in accordance with your instructions to us.

22. If there is any entitlements or benefits arising from corporate actions affecting your Assets, you agree to accept our calculation, and subsequent allocation. We will be entitled to disregard fractional entitlements and you waive any right and claim to them.

Others

23. For Treasures Customers, you agree to pay the fee for the Custody Service as specified in our Pricing Guide. We may charge a separate custodian fee if your Asset is in physical scrip form.

24. We may deduct your account with us with the full amount of any fee payable by you, or liabilities incurred while providing the Custody Service to you. For this purpose, we are authorised to debit such amount owing from any of your Accounts and/or sell your Assets and collect the proceeds. This means that until payment in full of all liabilities is made, we shall have a right of lien in respect of your Assets.

25. Where necessary, we will effect any currency conversion at the prevailing exchange rate. We shall not be liable for any losses arising from the settlement of such liabilities or the failure to do so.

26. If your Assets are pledged to us, you may not withdraw or sell them without our prior consent, and we are entitled to sell or otherwise deal with your Assets at our sole discretion without any notice or court action in order to discharge your Liabilities. This will take place by such means and at a price we reasonably determine to be the best obtainable, even if this means that you may end up making a loss. We are not liable for any resulting losses you may suffer.
